dates to the council on admissions, new faculty hires,  
renovations.

egic plan and solicited feedback. The council reviewed  
n and student focus. Takeaways from the discussion

Learning: students need to be able to articulate these  
interviews and that really means something. Their  
't synthetic. They should be able to demonstrate the  
their PL experiences to employers.

hat Miami of Ohio has 6 classes students have to take  
that includes a competition similar to Millikin's  
ation competition.

networking connections. Students should know how to  
d down, have context awareness, fit their message to

good job of preparing students to be leaders for their  
especially the first one, the rest after graduation
